**OPERATION INSTRUCTIONS**

**Allen Key Lock**

1. **COVER EDGE**

   - **GREEN DOT**
   - **RED DOT**

2. Insert the Allen key so the top bar is between the green and red dots.

3. LOCKED
   - Rotate the bar counterclockwise so the bar is over the red dot to close the lock.

4. UNLOCKED
   - Rotate the bar clockwise so the bar is over the green dot to open the lock.
